SHERIDAN PARK GOLF CLUB

News and Events Update

ON THE TEE 2024 - SHERIDAN PARK GOLF CLUB

POSTING OF SCORES

All 'Acceptable Scores' must be posted in a timely manner. Acceptable score is a Score that meets all the requirements described in video [\(LINK\)](#). The Clubhouse computer is working. You must adjust your scores to the Net Double Bogey maximum prior to posting them. The EASIEST way to do this (and the way the Club prefers) is to post scores using the Hole-by-Hole method. It automatically adjusts hole scores to the Net Double Bogey maximum.

EVENT SIGN UP PROCEDURE

Club members can sign up for events by either clicking on the online signup links or by signing up on sheets that will be in the locker room.

2024 ELMA MEADOWS @ SHERIDAN PARK CLUB CLASH (JUNE 2, 2024)

The 3rd annual Sheridan vs. Elma Meadows Club Clash was held on Sunday, June 2nd at Sheridan Park. Sheridan's AA's put us out to an early lead, and it continued the rest of the day. With Sheridan beating Elma this year, it puts Sheridan up 2 -1 through three years. Each Club has defended their own course. Next year it's back to Elma Meadows to try to beat them on their home turf. Thanks to everyone that participated.

USGA CHANGES FOR 2024

A NEW WAY TO HANDLE NINE-HOLE ROUNDS - the WHS now uses an "expected score" formula to take nine-hole scores and adjust them to 18-hole score differentials. That means 9 holes scores will immediately be converted to 18 holes scores differentials and will immediately be used to calculate your index. (No more waiting to two 9-hole scores to be combined)

POSTING SCORES WHEN YOU PLAY BETWEEN 10 & 17 HOLES - when a player plays between 10-17 holes, they are now required to post their scores for all holes played using the hole-by-hole option. This allows a Score Differential to be calculated based on the specific holes that were played, which is then combined with the player's expected score for the number of holes not played. Please post everything using the Hole-by-Hole method.

YOUR SCORES WILL COUNT FOR HANDICAP PURPOSES AT MORE COURSES (INCLUDING EXECUTIVE COURSES) - the USGA has reduced the minimum yardage for a course to be included in the Course Rating system. This allows roughly 700 more par-3 courses to become part of the WHS system. If you're not sure, please try to post it!
